RECRUITMENT PACK

WELCOME

WE MAKE LIFE BETTER FOR PEOPLE IN THE NORTH EAST

We are delighted that you are expressing an interest in joining our pioneering charity at such an exciting time. We are proud of our history and culture, our innovative and proactive solutions to community problems, and our people.

We are looking to add diversity and new skills to our passionate and enthusiastic team.

We are the official charity of Sunderland AFC, established in 2001 by former club Chairman Sir Bob Murray CBE with a simple mission:

**FOUNDATION
OF LIGHT**

THE WORLD AT YOUR FEET

OUR VISION

Better opportunities, better lives.

OUR MISSION

We are here to use the power of football to invest in the communities we serve and to improve the Education, Health, Wellbeing and happiness of people, no matter who they are.

ABOUT US

Set up in 2001, the Foundation of Light is the registered charity of Sunderland Football Club; we use the power of football to engage individuals and communities, increasing life opportunities.

Situated in the Northeast of England, we are based at the award-winning community hub, the Beacon of Light, but also have outreach centres in Sunderland, South Tyneside and County Durham.

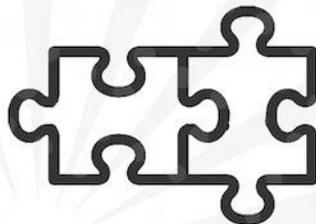

We use our position as an unparalleled route into traditionally 'hard to reach' communities – involving, educating and inspiring. We work across four industries – education and skills, sport and play, health and wellbeing and youth and community learning.

OUR VALUES

Collaborative

We work together, encourage diversity and build strong relationships in our community.

Integrity

We are honest, respectful and inclusive. We care about our colleagues and our community.

Innovative

We are creative in solving problems and bold in trying out new ideas.

Agile

We adapt to all situations with flexibility and positivity. We are resilient in times of challenge.

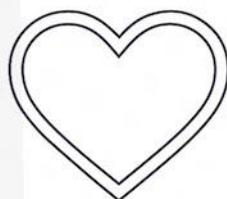

Excellence

We are professional, accountable for our actions and contribute to a high performing team.

Passionate

We are proud of what we do and committed to making a difference.

SAFE, WELCOMING AND INCLUSIVE IS AT THE HEART OF WHO WE ARE

We recognise, respect and value difference; all individuals will be treated equally and fairly.

We expect all staff, volunteers and partners to share our commitment to maintaining a culture of vigilance and encourage the reporting of any concerns about the welfare of any child, young person or adult at risk.

Jacob has really enjoyed the holiday courses - the staff have been fantastic! It's helped massively with childcare over the holidays; I can crack on knowing he is happy and in safe hands.

Helen Wall, Parent

WHAT WE DO

We work with partners and key stakeholders such as local councils, colleges, universities and housing associations to deliver more than 40 programmes a year across the North East. In doing so, we support almost 20,000 people from all walks of life.

Our **sport and play** programmes cater for young children aged from 18 months (Little Dribblers) to adults aged over 55 (our Extra Time Hubs). We encourage people of all ages to keep active, develop skills and live more fulfilling lives.

Meanwhile, our wide range of disability programmes ensure young people and adults can enjoy sport and build friendships. Our disability coaching team delivers fun, exciting, and challenging sessions which help develop motor skills, balance, and co-ordination, as well as encouraging teamwork and improving communication and confidence.

“ James and Daniel really enjoyed the session today. They said it felt like they were learning but in a fun way - and they love anything to do with football!

Kelly Woods, Parent ”

We're passionate about inspiring **young people** to be the best they can be, so we also provide a range of free programmes to develop children and young people wherever their interests lie. From sports through to social action projects, residential trips, mentoring, youth clubs and forums, we make sure their voice is heard and their dreams encouraged.

To help raise the educational attainment across the region, we partner with education providers to close the gap between those from disadvantaged backgrounds and others.

We deliver a wide range of sports and education programmes for schools and academies across the North east.

Hundreds of young people have benefitted from our Holiday Hunger programmes, enjoying free activities and a daily meal during the school holidays.

We work with those aged **19+** to improve their **employability skills** and help them find full time work, we also help parents, grandparents and carers support their child's development through a range of courses; encouraging families to learn and play together and gain new skills and experiences.

We offer adults the opportunity to reskill or upskill and gain qualifications and participate in courses they may previously not have had access to.

Of course, another priority is **health inequality**, and working with partners across Sunderland, South Tyneside and County Durham we deliver a wide range of programmes aimed at tackling poor physical health.

Over **250** over-55s have taken part in weekly social activities and over **1,200** activity bags distributed to help combat loneliness

Over **2,000** participants improved mental wellbeing

280 teenagers to complete **7,820** hours of social action projects in the community

OVER **12,000** VOLUNTEERING HOURS

OUR PLANS FOR THE FUTURE

1 Aim

...every contact will count with three million hours of meaningful engagement over five years.

Our work continues to focus on young people; inequality including social mobility, gender and race, and health including obesity, suicide prevention, depression and loneliness. We continue to inspire others by telling more of our life-changing stories, aiming to create:

Better life chances:

- ▶ Helping more people into work
- ▶ Increasing ambition and aspiration
- ▶ Increasing the number of people with qualifications and skills

Better lifestyles:

- ▶ Improving physical health
- ▶ Improving mental health

Better balance:

- ▶ Reducing divisions in society
- ▶ Improving social mobility
- ▶ Strengthening communities

Better Investment:

- ▶ Growing our unrestricted revenue
- ▶ Reducing our overheads to delivery costs
- ▶ Growing our environmental sustainability

Better access for all:

- ▶ Making more data-informed decisions
- ▶ Improving our user experience

Aim

...to continue to create a vibrant and sustainable Beacon of Light.

Thankfully, visitors have returned to the Beacon of Light post Covid. Prior to the lockdowns, the Beacon was a ever-growing community hub and event space attracting more than 7,000 visitors a week. Parents brought their children to football only to find themselves signing up for a maths or language class. We'd created a place which has something to interest and benefit everyone.

Our ambitious aim is to exceed pre-pandemic levels of participation. This is important to us as the Beacon is our engine – it brings in much-needed unrestricted income that we plough straight back into our programmes. We are determined to grow this sort of income as it gives us more freedom to deliver more meaningful engagement in our communities.

OUR PLANS FOR THE FUTURE

...to be the best in our field.

The Foundation has long been one of the largest football charities in the UK and if we can achieve our aims of delivering three million contact hours, exceeding our pre-Covid levels of engagement and continuing to deliver quality work we'll be on our way to accomplishing our aim of being one of the best football foundations in our field.

To do so, we know we'll have to continue our high levels of good governance while still delivering excellent levels of employee and customer satisfaction, and raising sufficient funds to ensure our destiny remains in our own hands.

Aim

3

Best standards and governance:

- ▶ Be financially robust
- ▶ Meet industry standards
- ▶ Invest in our workforce

Best innovation and learning:

- ▶ Growth in ICT and digital innovation
- ▶ Continue to build strong collaborations and partnerships

Better access for all:

- ▶ Ensure people are at the heart of our decisions
- ▶ Maintain robust and consistent monitoring and evaluation
